Bozrah Farmers Market

July - October 2010

4-7 pm every Friday

This is the second season for the Bozrah Farmers Market and we are growing! This year we will feature 25+ vendors each week. The market will be held July through October Friday evenings at Maples Farm Park. Maples Farm Park consists of 31 acres and the Maples Farm Homestead. This location provides a beautiful pastoral setting which is just perfect for the market.

The Bozrah Farmers Market is able to provide its residents and those in surrounding communities with the opportunity to buy fresh CT Grown and CT Made products. It's a great way for people to know where their food is coming from.

The market is at a convenient time for shoppers to stop by after work to get something for dinner or get ready for the weekend. And if you don't feel like making dinner, come graze and buy everything you need to have a wonderful picnic and enjoy it at one of our picnic tables.

Market Items

The vendors at the Bozrah Farmers Market will be selling CT Grown items such as veggies, fruits, flowers, plants, herbs, honey, maple syrup, cheese, milk, ice cream, flat bread pizza, pies, pastries, breads, kettle corn, italian ice, marinades, soups, dips and mustards, jams and jellies, beef, veal, goat, and eggs to name a few of the items available.

In addition the market will also feature local artisan products such as soaps, candles, pottery, fiber products, hand crafted art, jewelry, handbags, weathervanes and much more.

The market will also feature special guest vendors each week throughout the market season. As well as special vendors who join us for Market Events.

Also be sure to enjoy some local talent each week as we have various musical artists from Connecticut performing at the Market.
